## secret brilliance

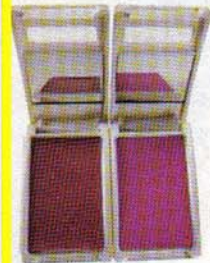

We found out about Straight Request Silky Milk foaming lotion, \$8, 800-446-9197, from one of our models when we were ogling her soft curls. It's used frequently on African-American hair, but it works on ringlets of all kinds. Mix with water in a spray bottle and spritz onto wet hair for instant control.

Our insane obsession with makeup hit an all-time high these adorable new lines with totally unforgettable names.
